ATTENTION: ☐ ☒

SUBJECT: GENERAL OPERATIONAL

SPECIFIC KIBITZ-201

REF: EGQW-1770; EGFA-584

1. While perusing KIBITZ-15's personal file we came across the following item of interest which, as a footnote to EGFA-584, might shed some light on why and how subject was offered to us.

Dear (KIBITZ-15):

Haven't heard from you in a long time, and I hope everything's been well with you and yours. I have a favor to ask of you. My adjutant in Bosnia, (KIBITZ-201), 43 years old, major, Waffen-SS (in runic letters), very good organizer, speaks Serbian, Croatian, and Hungarian fluently, wants to separate from his wife, whom I know and is a battle-axe, and furthermore has no work.

Perhaps you might see something in the scope of your work or some other sort of possibility. I should appreciate it if you would maybe write, or better still, if you would just pay a visit.

For now many greetings,

To old comradeship,

(signed) (KIBITZ-189)

2. What evidently has happened is that KIBITZ-189, who is recruited, but not developed in KIBITZ-15's work, knowing that KIBITZ-15 had this show going and possibly had connections in AIS, thought he could get some sort of job for his old colleague with the Allies. Note that KIBITZ-15 did not offer him for work in Germany, i.e., in his own operation, but for work in the Balkans.

3. When KIBITZ-15 brings up KIBITZ-189 for development and training, we do not intend to use him. However, at the present we will just let him be. To our knowledge, of all the many names submitted by KIBITZ-15, only KIBITZ-189 and KIBITZ-201 have brought any derogatory information. This, of course, does not exclude the possibility of KIBITZ-201's being exploited by the Hungarian Desk and he might make a suitable candidate.
